if you liked what you had don't
forget to ring the bell,
until the waiter claps

Why "Red Street"?

Red is the color of passion. It is also the color of Superman's cape. When we first opened The Smallville Hotel, everyone wondered if we could survive in times of crisis asking us:

**"Who do you think you are?
Supermen?"**

Red Street was branded red, for the passion we have for both our hotel and the superheroes that sustained times of trouble: the citizens of Beirut and our team. Those Superheroes decided to paint this restaurant red, the color of heroes and love!
